

Introducing...
**DCI's New Line of
 Enhanced Water Bottles**

NOW IN
three
 GREAT SIZES.

ENHANCEMENTS:

- ▶ DCI's quality assurance team tests bottles at 200 PSI, giving you peace of mind that DCI water bottles will stand the test of time.

- ▶ Filling & installing water bottles has never been easier with the new **ERGONOMIC**, non slip hand support feature.

- ▶ Bottles are interchangeable with most dental systems.
- ▶ Compatible with coolant liquids used in dentistry.

Choose from 3 size options to accommodate your water consumption requirements.

Look for these great new features on the 2-liter bottle coming soon!

**HEAVY-DUTY BOTTLES FOR
 DENTAL UNIT WATER SYSTEMS**
